sec. 47-282

(b) Reprogrammings shall not be used to establish new programs or to change allocations specifically denied, limited, or increased by the Council in the budget act, or the accompanying budget report or mark-up sheets.

(c) Any program or project deferred through reprogramming shall not be later accomplished by means of further reprogramming. Funding for such action shall await the regular budget request.

(d) Should unusual circumstances require changes to the policies included in subsections (a) through (c), proposals shall be submitted to

the Council for approval regardless of the dollar amount involved.

Sec. 4. Approval of Budget Reprogrammings for Appropriated and Non-Appropriated Authorities.

D.C. Code,
sec. 47-283

(a) The Mayor shall submit to the Council for approval any reprogramming request(s) which individually or on a cumulative basis would result in a change to the original appropriated or estimated non-appropriated authority of any responsibility center of more than \$400,000 or ten per cent (10%) (whichever is less) of the original appropriated or estimated non-appropriated authority in any fiscal year: PROVIDED, HOWEVER, That Council approval shall not be required for any reprogramming of up to \$25,000. Council approval is required for any subsequent reprogrammings which individually or considered on a cumulative basis would result in additional changes of more than \$100,000 or ten per cent (10%) (whichever is less) of the original appropriated or estimated non-appropriated authority of any responsibility center.

(b) The Mayor shall submit to the Council for approval any shift(s) in funding among object

-5-

categories within the same responsibility center which individually exceed \$50,000 in any fiscal year. Council approval is required for any subsequent actions which individually would move funds in excess of \$50,000 among object categories within the same responsibility center in any fiscal year.

(c) The Mayor shall submit to the Council for approval any reprogramming request(s) which individually or considered on a cumulative basis would result in a movement of funds from one (1) capital project to another of more than \$25,000 in any fiscal year.

(d) Notwithstanding the provisions of subsections (a) through (c), the Mayor shall submit to the Council for approval any reprogramming request(s) which individually or considered on a cumulative basis would result in change to the original appropriated or estimated non-appropriated authority of any responsibility or control centers within the Department of Human Services, by more than \$50,000 in any fiscal year. Additional Council approval shall be required for additional reprogrammings which individually or

-5-

considered on a cumulative basis would result in additional changes of more than \$50,000 to the original appropriated or estimated non-appropriated authority of any responsibility centers within the Department of Human Services.

(e)(1) The Mayor shall transmit reprogramming requests as provided in subsections (a), (b), (c), and (d) and requests pursuant to section 5(a) to the Chairman of the Council, who shall immediately circulate the requests to the Members of the Council.

Should notice of disapproval be given during such initial fourteen (14) calendar day period, the Council shall dispose of such notice of disapproval within thirty (30) calendar days of

-7-

the initial receipt of the request from the Mayor, or such request shall be deemed to be approved.

(3) No request may be submitted to the Chairman of the Council under this subsection during such time as the Council is on recess, according to its rules, nor shall any time period provided in this subsection or in the Council's rules with respect to the requests continue to run during such time as the Council is on recess.

(f) If the Council disapproves a reprogramming request the Mayor may, on a clear showing of changed circumstances, new information, or additional administrative hardship, ask for a reconsideration of the previous action of the Council. The Council may at its discretion reconsider its previous action.

(g) All reprogrammings which occur, regardless of amount, shall be reported by the Mayor to the Council on a monthly basis. A Monthly Reprogramming Summary shall set forth clearly and concisely each reprogramming activity by original object category and new object category. It shall specify the amount of funds shifted and other consequences where appropriate

-3-

(such as personnel shifts, equipment transfers, etc.). The Monthly Reprogramming Summary shall also include a brief explanation of the administrative necessity that was served by the reprogramming activity. The Mayor shall be responsible for assembling and transmitting the Monthly Reprogramming Summary.
